Comfort zone in sight, but still recruiting!

Well, our redrawing crisis seems to have abated.

This means we only need a redrawer for ***Shounen Y*** and an extra one for ***Saru Lock.***

Our test is at **https://goo.gl/qfnsc6**

You can leave the pages marked "difficult" out for ***Shounen Y,*** but you have to do them for ***Saru Lock.***

From what I can see, now we need typesetters for ***Psychic Odagiri Kyouko's Lles*** and ***God, you bastard, I wanna kill you!.*** The test is here: https://goo.gl/vQuPZA

Please submit the PSD files with your application bundled in a compressed folder (RAR, Zip, 7z, whatever) and send it as a download link to me as a PM (Wraith a deathtollscans.net, kendama at Batoto), or post it here: **https://goo.gl/jkE13V**

If you are ***experienced,*** contact me to know of ways of bypassing the test.
